MISSION

Provide Patients and Their Families with Advanced Illness Care of the Highest Quality

VISION

Be the Best Provider of Advanced Illness Care and the Best Place to Work in Healthcare

VALUES

1. Put Patients and Families First
2. Always Do the Right Thing
3. Respect Everyone

CARING FOR ALL

As the Greater Washington region's largest nonprofit hospice and advanced illness care provider, no one is turned away due to an inability to pay for services.

Capital Caring Health also does not exclude individuals or treat them differently for any reason, including but not limited to sexual orientation, gender identity, gender expression, religion, diagnosis or medical condition, veteran status, ancestry, marital status, occupation, pregnancy, citizenship, political affiliation or source of payment. Capital Caring Health respects the beliefs of patients and their families, and does not impose any belief system on others.

A Letter from Our EXECUTIVE DIRECTOR

Dear Friends, Volunteers, and Community Partners,

As we continue to see a growing need for services across the Mid-Atlantic region, Capital Caring Health remains steadfast in our mission to provide comfort, dignity, and expert care for every patient and family.

This past year, thanks to the generosity of our supporters and the dedication of our team, we expanded community outreach, enhanced specialized programs for individuals living with advanced illness, and strengthened our collaboration with Chapters Health System with a focus on long-term sustainability.

We also broke ground on the renovation of the new Guernsey Center for Caring, formerly the Halquist Memorial Inpatient Center. With your support, this historic 20,000-square-foot unit is being transformed into a state-of-the-art center offering hospice care for adults and children, grief counseling lounges, vital community resources, and more. Your continued partnership is essential to bring this vision to life and meet the growing needs of our community.

From innovative partnerships to heartfelt memorial tributes, our work reflects the power of kindness in action. Every story, every milestone, and every gift of support honors the trust families place in us and strengthens our commitment to serve them.

It is my privilege to present our 2024–2025 Annual Report, which highlights both the impact of your generosity and the tireless dedication of our caregivers and volunteers.

Looking ahead, we are stronger together, united in caring for every patient and family who needs us.

Thank you for making this mission possible.

With gratitude,

Kimberly Grove

Serving OUR COMMUNITY

VOLUNTEERS

Volunteers are at the heart of our compassionate care. Every day, Capital Caring Health volunteers uplift patients and families by bringing meals, providing companionship, honoring milestones, and offering comfort at life's end.

Join us today at www.capitalcaring.org/volunteer.

32,534 VOLUNTEER HOURS SERVED

Thanks to amazing volunteers, the residents of Forest Hills of DC, veterans and civilians alike, had a fantastic Veterans Day. The residents loved the patriotic paper bouquets, cards, special edition Caring Bears, and certificates honoring their service.

Volunteer Rob singing a classic tune for a patient, carrying her back to a lifetime of joyful memories.

A warm welcome to volunteer Mary and her lovely therapy dog Maisie.

Volunteer Leslie sharing a precious moment with a dear patient after visiting faithfully for weeks and building a bond.

Volunteer Denise picking up Caring Bears. The patient loved wearing muumuus, gambling, and traveling. As her daughter lovingly said, "She was a personality and a half!"

Thank you to donors and volunteer Elf Squad for spreading much holiday cheer this season with more than 500 gifts for pediatric hospice and palliative care patients and their families. Each package was delivered in handmade Santa sacks created by our Caring Bear Sewing Team.
